MOTHER'S AGAINST DRUNK DRIVING (MADD) NATIONAL LEGISLATOR OF THE YEAR

Investing in Schools

Roger worked to pass a no-new-taxes, bipartisan balanced budget that invested an additional \$1 billion in K-12 education, froze higher education tuition rates, and increased student financial aid.

Building Stronger Communities

A devoted father and public safety leader, Roger passed nationally acclaimed DUI laws that earned him MADD's National Legislator of the Year. He passed landmark bills to protect foster children, and passed bipartisan laws to protect domestic violence victims from gun violence.

Listening for Bipartisan Solutions

Roger passed balanced budgets that demanded accountability by avoiding cuts to education, programs for seniors, veterans and our most vulnerable. He closed tax loopholes for Wall Street banks and even cut his own pay to help balance the budget.

Let's keep
Roger Goodman
working for US!
