

Dear **Randy Sidney**,

Ballots started going out a week ago, and we're on the phone with County Elections Departments every day to check on how many people have voted.

Can you help us find out if we're on track and share if you've voted?

[YES, I've voted](#)

[NO, I haven't voted yet](#)

There are just 12 days left to vote. Ballots are due by November 4th!

This election could be really close. We need to flip only two seats to win back the State Senate.

Turning out voters is absolutely critical to winning this fall and bringing back sustainable funding for Washington's schools, building our transportation infrastructure, and protecting a woman's right to choose.

We're really counting on you to vote. And we need you to remind your friends and family to vote too.

Last week, we sent out a link to our Endorsement Finder. This is where we collect all the endorsements from dozens of Democratic organizations around the state.

[If you want to find the candidates who share our values, use our Endorsement Finder to find endorsements on races up and down your ballot.](#)

Thank you and happy voting!

Misty
