

Dear [REDACTED],

Election Day was rough. However, we fared better than most of the country —

- We re-elected our three freshman members of Congress
- We became the first state in the country to pass background checks on all gun purchases by popular vote
- We kept our majority in the State House

That's thanks to the support of our 2014 members!

The 2016 election will be a huge year, and we have to begin getting ready *right now*. Our success in 2016 will depend on what we do in 2015.

[Can you chip in \\$5 to join us as an early 2015 member and help us build toward 2016?](#)

2015 is a critical year to build our grassroots and fight for our values. In 2016, we'll elect a new President, re-elect Governor Jay Inslee, and re-elect Senator Patty Murray.

Just watch what happens next month during the legislative session and in Congress. The radical right is working right now to set the stage for 2016.

Our country deserves better. We are going to fight harder than ever to protect our freedoms, make sure our kids get a quality education, keep our communities safe, and help working families put food on the table.

I manage the Party's membership program. So I know firsthand how membership contributions help us build the political infrastructure, technology improvements, and data investments that make us stronger so that we can fight for you.

[We can't fall behind. Please chip in \\$5 or whatever you can afford to become an early 2015 member.](#)

Gratefully yours,
MacKenzie
