

Help us reach our goal of \$10,000 before midnight tomorrow!
[Contribute now: All gifts are MATCHED! >>](#)

--

I don't have to tell you the stakes are high, because you know that. While 2015 was a great year to be a Washington State Democrat, we suffered some brutal losses that we cannot repeat in 2016.

Victory next year is impossible without you. And right now, you have a huge opportunity: **An anonymous donor has agreed to match contributions that we receive now through our deadline at midnight tomorrow.**

That means your gift today will be DOUBLED. Pitch in now and help us close our remaining fundraising gap of \$4,866.

[Can I count on you to contribute \\$5 or more before our deadline to help us meet our goal?](#)

I'm telling it to you straight: 2016 is going to be a tough year -- especially with control of the State House, the Governor's Office, and a seat in the U.S. Senate on the line. The other side is pulling out all the stops: National Republican groups have specifically targeted our State House.

As the only organization in Washington State committed to electing Democrats, I'm relying on you for the tools to win -- not dark-money billionaires. I'm calling on you, not the Koch brothers.

Make a contribution before midnight tomorrow and your gift will be DOUBLED. There is no better time to contribute to the Washington Democrats than right now.

[Contribute \\$5 right now before our deadline. All gifts are matched -- but hurry, we only have until tomorrow at midnight.](#)

Thank you,

Karen
