

**NEW: Dr. Kim Schrier named to DCCC's Frontline Program**

Randy,

The Democratic Congressional Campaign Committee (DCCC) just added Kim to their Frontline program for 2024 – a list of Democratic districts that will be critical in our efforts to retake the majority next year.

We can't retake the House majority without reelecting Kim in Washington's 8th District, but we have a tough fight ahead of us. Washington State and national Republicans are once again making flipping WA-08 a top priority and Kim's first Republican challenger announced her candidacy last month.

In a district as competitive as Washington's 8th, we can't waste any time preparing for the tough fight ahead. [Rush a donation right away to help Kim win this "Frontline" race and retake the House majority next year →](#)
