

Bob
Ferguson
EXPLORATORY CAMPAIGN FOR GOVERNOR

██████████

We need your help as we push to reach out to Washingtonians on both sides of the mountains to support Bob's Exploratory Campaign for Governor.

Bob will bring the same level of dedication and commitment to the people that has guided his work as Attorney General.

In a single 24-period Bob, accomplished the following:

- Protected access to the abortion medication, mifepristone, for millions of women.
- Banned the sale of assault weapons and repealed Washington's racially-disproportionate death penalty.
- Spearheaded the creation of a Cold Case Unit dedicated to solving cases involving Missing and Murdered Indigenous Women.

We are reaching out today to ask for YOUR personal endorsement. It's important that we have broad support from across Washington state – in every county and every city.

[Will you add your name to endorse Bob Ferguson and show that you are ready to elect a proven champion as Washington's next Governor?](#)
