

I just launched my campaign for governor, and since I'm running a people-powered campaign, I want to hear directly from you:

[What are the top issues I should tackle as governor?](#)

[**Take my survey >>**](#)

RANDY, we are at a critical crossroads where what we do right now determines the future of our state for generations to come. [So, please, will you take a moment to fill out my short survey and tell me what issues my campaign should prioritize?](#)

Thank you for your input!

Hilary
