

Bob fights for every Washingtonian and puts people at the center of his work. It's clear from our latest fundraising numbers that Bob's work is resonating:

- Bob is the *only* candidate for Governor with **grassroots donors in all 39 Washington counties.**
- 83% of the donations to Bob's campaign last month were **\$100 or less.**
- In total, Bob has just under 13,000 Washington donors. To put that into perspective **all four of his opponents have fewer than 3,000 donors — combined!**

This is the grassroots coalition needed to defeat anti-choice Republican Dave Reichert.

[So Randy, can we count on you to join the team and pitch in \\$5, \\$15, or \\$50 to elect a proven leader like Bob as Washington's next Governor?](#)

We are proud to have grassroots support from every corner of the state. But the truth is Reichert and national Republican groups will spend **millions** to try and flip the Governor's Office red.

That means we need to have enough resources to fight back. We're off to a strong start, but **we must keep up the pace.**

[Will you pitch in \\$5, \\$15, or even \\$50 today to help us defeat Dave Reichert and elect Bob as Washington's next Governor in 2024?](#)

Thank you,
