

Dear Friend,

The far-right group Moms For Liberty is trying to take over our school boards. **Their candidates want to ban books about Martin Luther King Jr, prevent LGBTQ+ kids from being their authentic selves, and deny students an honest education about the history of our nation.** These Moms For Liberty candidates are running to bring their MAGA agenda to every corner of the state, from Kitsap to Vancouver and Ferndale to Liberty Lake.<sup>1</sup>

How can they win? By concealing their intentions and their agenda behind lies and platitudes. **We must pull their agenda out of the shadows, and make sure voters understand the choices on their ballot.**

That's why we've dramatically expanded our coverage of school board races in this year's Progressive Voters Guide. We've researched and made over 60 school board recommendations, including 30 with far-right opponents who are aligned with Moms For Liberty.

**We just released our Progressive Voters Guide that lays out the records of each of these candidates and explains the consequences for our freedoms if Moms For Liberty candidates are victorious.** Now we need your help to put the guide in the hands of the voters who will decide this election.

**Will you support our campaign to distribute the Progressive Voters Guide with a donation of \$5?**

**Yes! I'll chip in \$5 to defeat the MAGA agenda in schools**

Since school board positions are officially non-partisan, Moms For Liberty are hoping they can sneak their book-banning candidates into office by coordinating their shady talking points behind closed doors. Since most voters won't know how to read between the lines, the Progressive Voters Guide is critical to educating them and setting the record straight.

Unlike our opponents, we're not funded by big corporations or out-of-state billionaires. Instead, we rely on thousands of Washingtonians chipping in an average of \$24 online to bring the guide to as many potential progressive voters as possible.

**Voters are already casting ballots – can you chip in \$5 to put the Progressive Voters Guide in the hands of undecided voters?**

**Help defeat Moms For Liberty!**

Thanks for all that you do,  
Aaron and the entire team at Fuse
