As Bob has always said, this is going to be a close race and now we have a poll that shows just how close it will be.

Northwest Progressive Institute released poll results today that show **Bob and anti-choice Republican Dave Reichert are neck-and-neck** for Governor.

But that's not all.

This poll shows Dave Reichert winning the Governor's race by two points.

With anti-choice Republican Dave Reichert in this race, reproductive freedom is on the ballot. The stakes couldn't be higher, and this poll confirms what we already knew: this fight won't be easy.

In the last two gubernatorial elections without an incumbent, the average margin of victory was *just 1.5%*. That's why earlier this year, Inside Elections moved our race to "Battleground."

We must increase our fundraising momentum to keep reaching voters across the state with Bob's message.

But here's the challenge: Washington state law requires elected officials like Bob to stop all fundraising after December 8th until the legislative session concludes next year.

Because Reichert is not an elected official, this "fundraising freeze" doesn't apply to him. *Doesn't seem fair, does it?*

[We're counting on a surge of grassroots support today to reach our \\$750,000 pre-fundraising freeze goal. Rush a donation of \\$5 or more now.](#)
