

# NICK BROWN

FOR ATTORNEY GENERAL (D)

— across our country, we're seeing increased undemocratic attacks on voting rights from politicians and judges who are putting their extremist beliefs ahead of the rights of American voters. [Will you chip in to Nick Brown's campaign today to help us elect a champion for voting rights?](#)

## Voting Rights Law Faces More Setbacks With Conservative Judges

— *Bloomberg Law*

These attacks on voter protections, like what's left of the *Voting Rights Act of 1965*, are just one example of how these extremist leaders are challenging one of the most sacred democratic practices in our country. We should be making voting and access to voting *easier* for Americans, not harder.

As Attorney General, Nick will stand up to any attacks on Washingtonians' voting rights. **To get Nick into the Office of the Attorney General, we need your help to ensure we have the resources we need to take on our conservative opponent's big-money GOP donors. So what do you say, Randy Sidney?**
