

RANDY,

As my time representing Washington's 6th Congressional District comes to a close, I want to take a moment to reflect on the values that have guided my work.

My team's core mission has been two-fold – **to get government and the economy working better for folks in our region.**

I've worked to strengthen the middle class, ensure our veterans get the benefits they have earned and deserve, give our children a quality education, meet our commitment to our seniors, and protect the region's rich natural heritage.

This region holds a special place in my heart. It's where I grew up, where I'm raising my own children, and where I've seen firsthand the resilience and spirit of our neck of the woods. That's why it's important to me to ensure that the next representative for this district shares our commitment to these values and has a proven track record of effectively addressing the unique needs of communities across our region.

I'm proud to support Hilary Franz for Washington's 6th Congressional District. ***Hilary's experience working with communities throughout our district and her dedication to service make her the right choice to serve as our next representative.***

But she can't do it alone.

To ensure Hilary has the resources she needs to continue fighting for our community, I'm asking for your support. Will you join me in contributing \$5 or whatever amount you can afford today to help Hilary win this critical race?
